**STONE CHIPS?**

 **MAGNUS PRO**

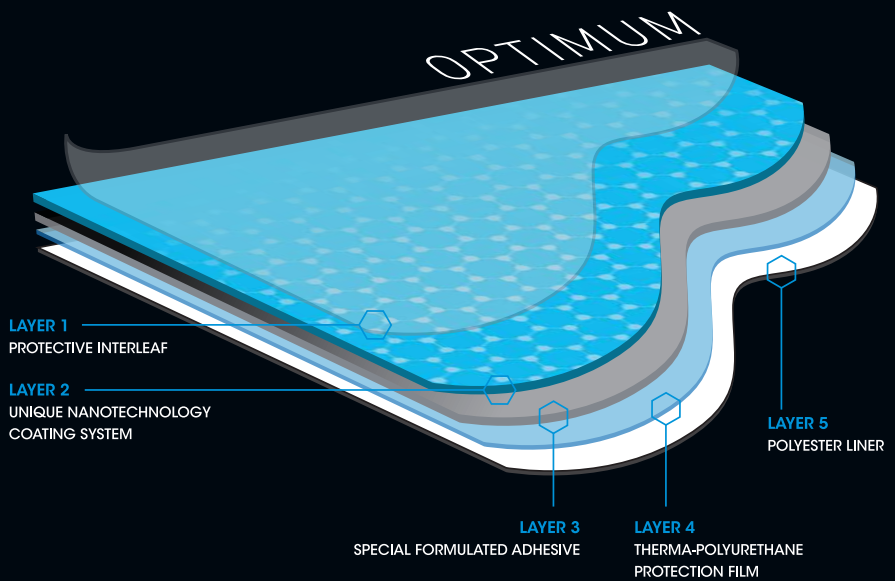

SELF-HEALING PAINT PROTECTION FILM

PLATINUM AUTO SPA

# PAINT PROTECTION FILM

**MAGNUS PRO** offers several product lines to fulfill ever-changing market demands. Each of our films excels in a particular key feature, such as insane clarity, superior hydrophobic or miraculous instant self-healing. Whatever you need, we have it here under one roof.

 OPTIMUM  INFINITY  HD

## PURSUIT OF PERFECTION

### SELF-HEALING PROPERTIES

**MAGNUS PRO** provides optimum levels of protection against damages on your vehicle's paintwork. The film's ultimate self-healing properties fully heals minor abrasions and swirls to keep the surface spotlessly flawless and virtually brand new.

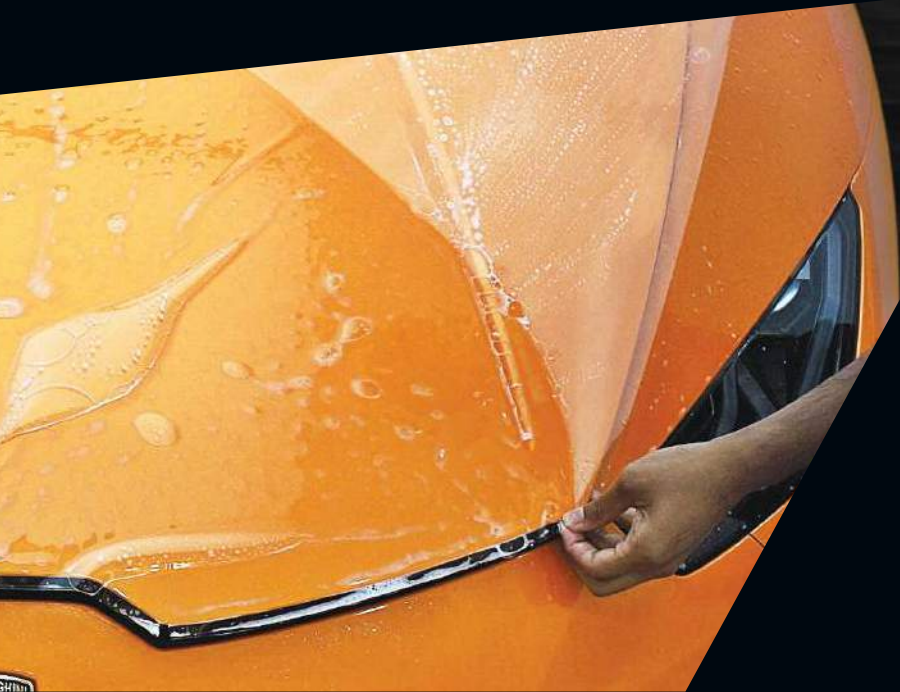

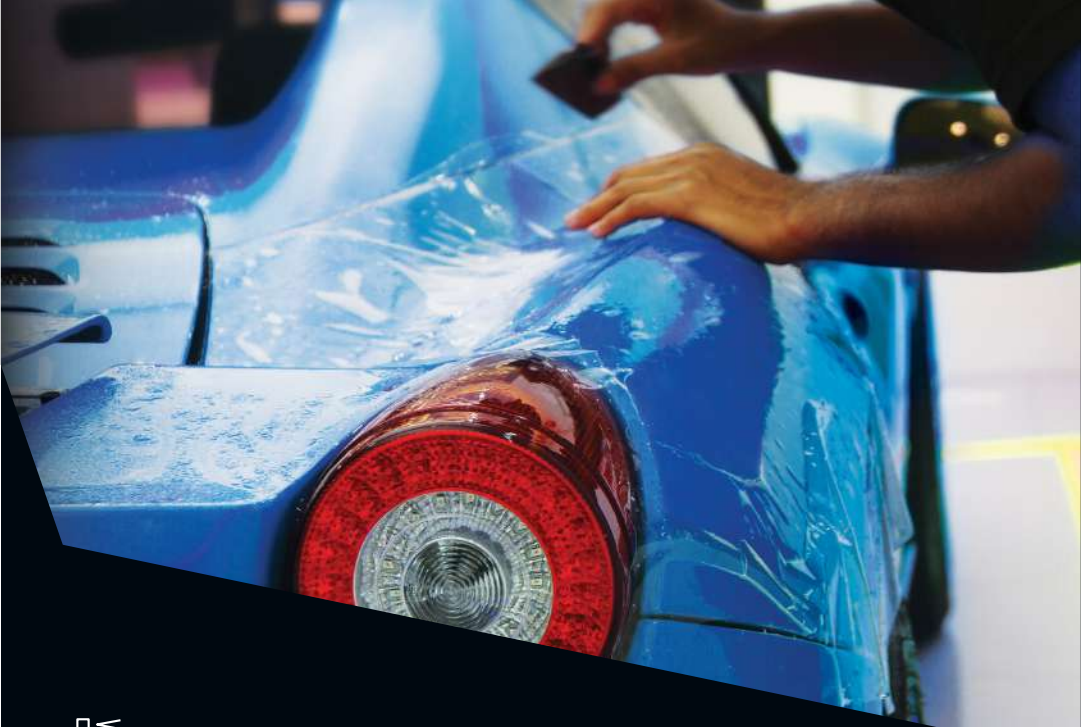

## PURSUIT OF CLARITY

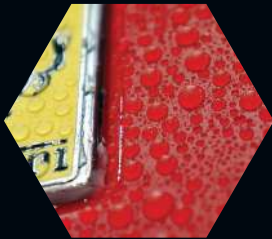

### EXCEPTIONAL GLOSS & SHINE

**MAGNUS PRO** offers unrivaled perfection on your vehicle's paintwork with impeccable clarity. The covalent polymeric formulation allows for nearly flawless light transmission, allowing for greater paint depth, gloss and shine. The invisible shield makes your vehicle truly stand out.

## PURSUIT OF ELEGANCE

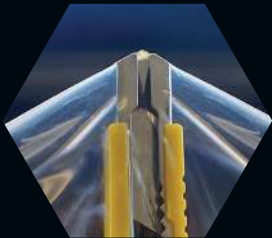

### EXTREME HYDROPHOBIC PROPERTIES

**MAGNUS PRO** also features an Anti-Stain formulation that provides resistance against acid rain, dirt, bird droppings, and stains from airborne contaminants.

## PURSUIT OF STRENGTH

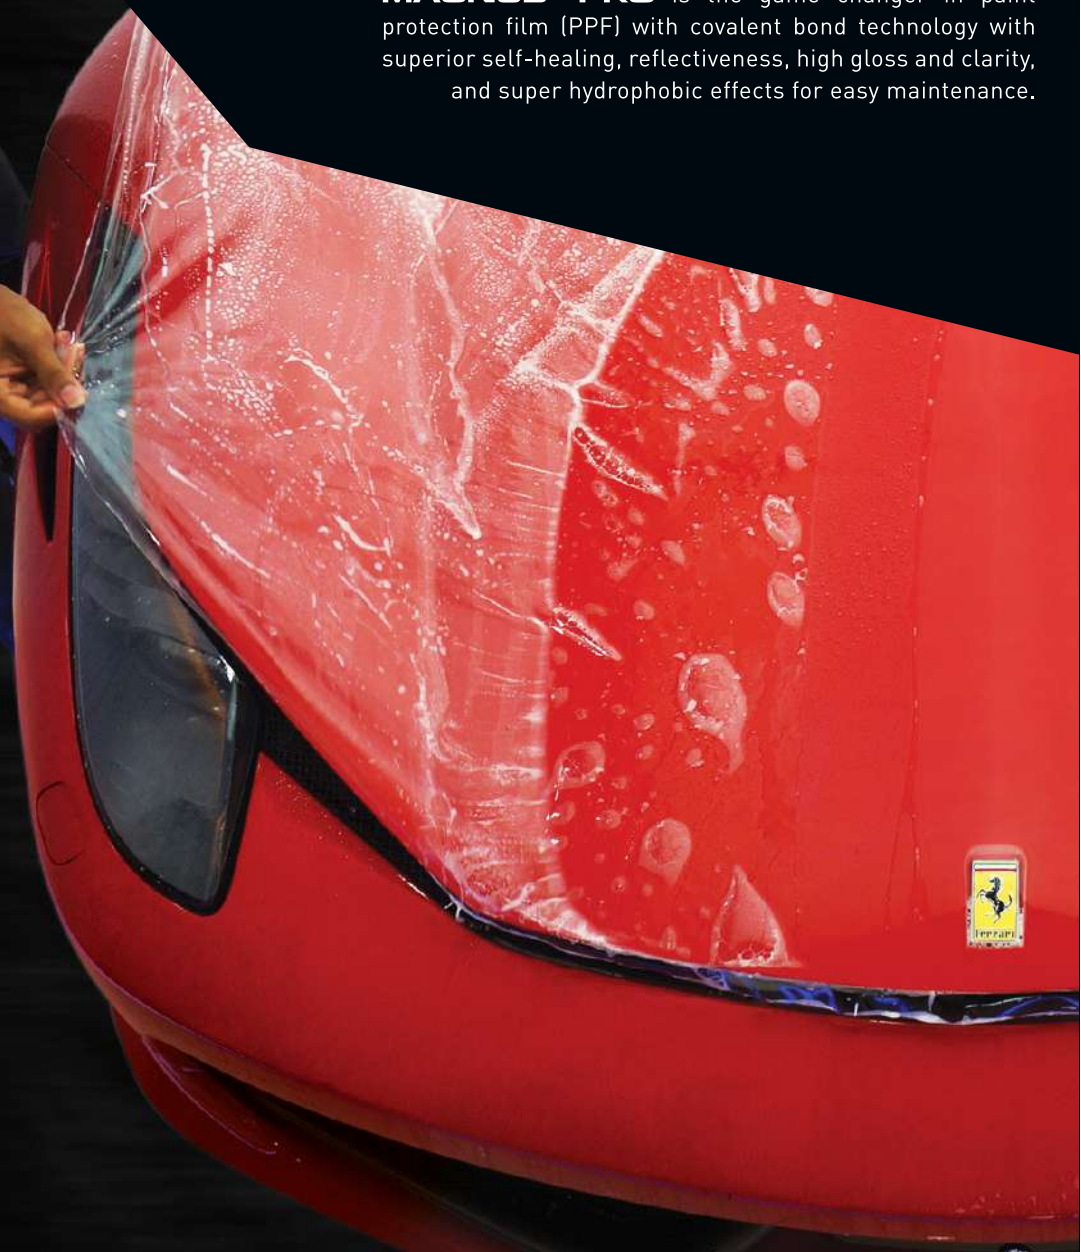

### 215 MICRON THICKNESS

The superior 215 micron thickness translates into 400% more protection on existing clear coats and offers the best protection to prevent stone chips, high impact debris, environmental contaminants and abrasions from damaging your vehicle's paintwork.

# WHO WE ARE? ENGINEERED TO PROTECT

**MAGNUS PRO** is the game changer in paint protection film (PPF) with covalent bond technology with superior self-healing, reflectiveness, high gloss and clarity, and super hydrophobic effects for easy maintenance.
